Oreck Belt Single ORECK XL BELT
Model: 100604
<i>Manufacturer: ORECK</i>
<p>Oreck Single Belt. Universal Belt Designed to fit all upright models. This belt design fits all classic series belts, Ultra X12, XL21's, 4000 Series, 3000 Series, and most 2000 Series. This is Oreck Belt. Tips: On how to Change belt. Most Oreck vacuums have a single screw located on the side panel for easy access. Remove philips head screw and slide panel off. Shaft of motor and rollerbrush is exposed. While unit is upside down. Insert belt along shaft of motor, then pull around end of rollerbrush. You can sping the rollerbursh to help install easier. Spinning the brush allows the the shaft to wind around end of rollerbrush. If there is access debris along shaft you can remove with simple sandpaper. We hope these directions help make life easier. These belts fit all Residential Oreck XL® Upright models.Fits upright model series X121 Series, XL 4000 Series, XL 3000 Series, XL 2300 Series, XL 2100 Series, XL Hotel Vacuum lines and more.
